

DUA FOR THE CURE FROM SICKNESS

"

O Allah, we are spiritually sick and we are physically sick.

O my Allah, so many of our brothers and sisters, and our parents are sick and ailing. They are in hospitals. Some are in nursing homes and old-age homes.

O Allah, grant shifa to those who are sick and ailing.

O my beloved Allah, shifa is in Your hands.

O Allah, we know that there is effect in du'aa and there is effect in medication, but O Allah, shifa is in Your hands.

O Allah, we know that sometimes sickness is a rahmat and a blessing in a disguised form, but we are extremely weak.

O Allah, even if such sickness is a rahmat'O Allah, change it to the rahmat of good health.

'But O Allah, we know that most of our sicknesses, depression and anxieties are because of our sins.

O Allah, grant us shifa from all sicknesses and ailments ' physical and spiritual.

O Allah, bless us with physical health and spiritual health."
